

DAWES ATTACKS LAFOLLETTE IN MINNESOTA TRIP

Says Congressional Veto Is Attack On Constitution

MINNEAPOLIS, Sept. 25.—The alternative of "Coolidge or chaos" was portrayed to the voters of Minnesota by Charles G. Dawes, Republican candidate for vice-president in a half dozen addresses today on a tour that began with a rear platform speech at Rochester and ended with a mass meeting here tonight in Kenwood armory.

Entering Minnesota, a state in which the Republican leaders frankly admit the existence of a bitter contest with the LaFollette independent candidacy and in which the LaFollette candidate for vice-president, Senator Wheeler of Montana, also is now making a campaign trip, Mr. Dawes attacked and restated the LaFollette proposal for congressional veto of judicial decisions as "an assault on the constitution of the United States."

"What kind of a government will we have, what kind of life will we lead, what will become of wages, what will become of business, what will become of the price of farm products, if this attack on the government of the United States succeeds?" he asked again and again, and answering his own questions he invariably replied:

"Chaos. That's what we would have."

Once a man in the audience shouted the reply:

"No government at all." And Mr. Dawes took it up and shouted it back.

The Republican nominee in his Rochester speech, made, and he later repeated the charge, that Senator LaFollette "in order to get the Socialists who fly the red flag into his combination assault on the constitution of the United States and our form of government."

"That doesn't go in our country and in this part of the country if I know it," he continued. "They talk to me about radicalism in the west. There is no radicalism to speak of in the west. I have lived in the west and I have been called a radical in my earlier days in the west. This is a God fearing intelligent, patriotic, properly owning section of our country."

"What they call radicalism in the west is the desire of honest men to improve conditions. If they are against something in the existing order, they are against it; but they are not against the existing order of things. There is all the difference that there is between daylight and darkness between what they call radicalism in the west and the radicalism of downtown New York and West Madison street, Chicago."

"That is why Mr. LaFollette has made a mistake. Unless he had attacked the constitution of the United States he could not have brought behind him the support of the Socialists who in the words of Eugene V. Debs, are in this campaign adhering to Socialist principles and flying the red flag."

Mr. Dawes spoke during the afternoon at the Republican women's club of Minneapolis, telling the several hundred women that "no campaign in recent years had been so vital to America because an attack has been made on the constitution which has threatened the inalienable rights guaranteed under that supreme law and particularly of interest to the women of the nation."

Continuing his tour tomorrow, the vice-presidential nominee will leave Minneapolis at 11:30 a. m., make a rear platform speech at Anoka shortly after noon, and arrive early in the afternoon at St. Cloud where he will address a night mass meeting.

Mr. Dawes in his various speeches also appealed for a full vote at the November election, declaring lack of a full vote in past elections no doubt had been due to lack of issue but that an issue was presented this year by the LaFollette candidacy.

He also paid his respects to "politicians" and advised his hearers "to stand by the men who get up and preach common sense to you and not behind some of these political blatherskites and Pee-Wees who are running over this country and preaching all things to all men."

**GOVERNOR BRYAN SPEAKS
AT NEBRASKA FAIR**

Wayne, Neb., Sept. 25.—Governor Charles W. Bryan, Democratic candidate for vice-president in an address before a county fair gathering here today, related his stern opposition to the tactics of the privileged class, let loose another attack on the Republican tariff and dishonesty at Washington the last four years and exhorted the people of this community to return in the fall election a state legislature that would cooperate with the chief legislative,

150TH ANNIVERSARY OF FIRST CONGRESS MEETING CELEBRATED

President Coolidge Principal
Speaker at Commem-
oration

WASHINGTON, Sept. 26.—President Coolidge and his party returned to Washington at 12:35 A. M., from Philadelphia, where he spoke last night at exercises commemorating the 150th anniversary of the meeting of the first continental congress. The President and Mrs. Coolidge went direct to the white house from the train.

PHILADELPHIA, Sept. 26.—President Coolidge, speaking here tonight in commemoration of the meeting of the first continental congress in Carpenter's Hall 150 years ago, drew lessons from the acts of the forefathers and declared that "if we wish to maintain what they established, we shall do well to leave the people in the ownership of their property in control of their government and under the protection of their courts."

"By a resolute determination to resist all these encroachments," the president said, "we can best show our reverence and appreciation for the men and the work of the first continental congress."

The president's denunciation of government ownership of railroads and other public utilities drew applause from the crowd that filled the Academy of Music where he spoke for 35 minutes.

Mr. Coolidge spent two and a half hours in Philadelphia, leaving for Washington immediately after the conclusion of the exercises.

PHILADELPHIA, Sept. 25.—(AP)—Representatives of the thirteen original states joined with citizens of Philadelphia today in celebrating the one hundred and fiftieth anniversary of the meeting of the first continental congress and the two hundred and thirtieth anniversary of the founding of the Carpenters company in whose historic hall the congress met.

Tonight President Coolidge was the central figure in the commemoration of the events of one hundred and fifty years ago, making the principal address at patriotic exercises held in the academy of music. During the day, Carpenter's Hall was the center of ceremonies in honor of the two memorable events in American history. Residents in dress uniforms of by-gone days, historic military commands of some of the original thirteen colonies passed through the structure in a parade down Chestnut street.

The sitting of the congress was portrayed with utmost attention to detail, those taking the parts of the delegates sitting in revolutionary costume by the mellow light of tallow candles, and the interior of the building providing the original setting.

SENIOR PARTNER OF BROKERAGE FIRM IS OUSTED FROM CHANGE

Expelled For Irregularities
In Southern States Oil
Stock

NEW YORK, Sept. 25 (AP)—Expulsion of George F. Secor senior partner of the brokerage firm of Secor, Reynolds and company, was announced by the New York exchange today for alleged irregularities in southern states oil stock.

The action came as an echo to the suspension of Southern States oil stock from the curb market trading last winter which led to the failure of the brokerage firm of J. M. Byrne and company and indirectly to bankruptcy proceedings against the Middle States Oil corporation which took the Southern States stock.

Both oil companies were controlled by former Governor Charles N. Haskell, of Okla.

Members of the firm denied the charges made by the stock exchange. They asserted that its financial stability was unquestioned. Mr. Secor has been a member of the stock exchange since 1911.

**TEACHERS WILL CARRY
FIGHT TO LEGISLATURE**

Chicago, Sept. 25.—Chicago elementary school teachers in a mass meeting today to protest against action of the board of education in barring meetings of teachers' councils during school hours, voted to carry the fight to the legislature and ask the law-making body to make teachers' councils part of the school system.

**FRIENDS ARE ARRIVING
FOR SAWYER FUNERAL**

Marion, O., Sept. 25.—Friends of the late Brigadier General Charles E. Sawyer, physician to President Harding and to his widow, Mrs. Florence Kling Harding, were arriving here tonight for the funeral of General Sawyer tomorrow.

**SPEEDING CRUSADE IN
CHICAGO EFFECTIVE**

Chicago, Sept. 25.—The police crusade against reckless automobile drivers resulted in bringing 1,227 persons into court charged with traffic violations.

MAN CONFESSES SLAYING CHILD TEN YEARS OLD

Killed Girl After As- sault And Buried Body In Sand

GARY, Ind., Sept. 25. (AP)—Peter Vergolini, 30 years old, Gary Steel worker, who early today admitted he had attacked and killed Anna Tomacich, 10 year old daughter of another steel worker, and had buried her body near here was held to the Lake county grand jury on charges of murder and kidnapping following an inquest into the girl's death late today. Immediately after being bound over to the grand jury Vergolini was removed to the Lake county jail at Crown Point where the grand jury is now in session.

Vergolini at the inquest stolidly repeated the story that had been wrung from him at dawn by the Gary police after he was found last night in Chicago and returned here. He said he met the child for the first time Monday when she asked him for a ride. Taking her in his automobile he drove to the outskirts of the city where he took her from the machine, strangled her when she screamed and after attacking her, buried the nude body in a shallow grave in the sand, scooped out with his hands.

He was captured in Chicago after relatives had supplied information as to his whereabouts following a tip that the girl had been seen climbing into his automobile.

CLAIM PLAY HINDERS ARMY ENLISTMENTS

NEW YORK, Sept. 25.—Federal action against the Broadway play, "What Price Glory" as a violation of the national defense act was talked of by the United States district attorney's office tonight.

General Robert L. Bullard, commander of the second corps area, U. S. army and Admiral Charles F. Plunkett, commandant of the Brooklyn navy yard, were declared to have demanded that immediate steps be taken against producers of the play.

According to members of the federal attorney's staff, the general and the admiral complained that the drama, with its profanity, besprinkled portrayal of life with the marines abroad during the world war curtails enlistments and in that way violates the national defense act.

This was the latest development in Mayor Hylan's move to institute police censorship of all New York theaters aimed at eliminating "nudity, obscenity and indecency" from the local stage.

It was indicated that the demands of Admiral Plunkett and General Bullard solved the mystery surrounding the motive for the Hylan move.

SMITH RENOMINATED BY ACCLAMATION

SYRACUSE, N. Y., Sept. 25.—The Democratic state convention listened to a keynote speech by Francis E. Cullen, of Oswego, today, adopted routine resolutions and adjourned until 11 o'clock tomorrow, when Governor Smith will be renominated by acclamation.

Mr. Cullen in his address attacked the Republican administration at Washington, accused President Coolidge of having placed the welfare of his party above that of the nation, and highly commended the administration of Governor Smith.

He attacked the Ku Klux Klan, vigorously, and brought resounding cheers. Praise of John W. Davis, Democratic presidential nominee was the signal for a three minute demonstration. When he said the platform of the state Democratic party was "Alfred E. Smith" the delegates rose as one with a whoop. A military band played the "Sidewalks of New York."

The demonstration ended with cheers for "Al Smith, the greatest governor New York ever had."

ZEPPELIN MAKES SUCCESSFUL FLIGHT

FRIEDRICHSHAFEN, Germany, Sept. 25. (AP)—Maintaining an average speed of 100 kilometers an hour, the Zeppelin ZR-3, built here for the United States navy today completed part of a 34-hour test flight over western and northern Germany. After arriving over Hamburg late this afternoon, the big dirigible turned eastward for a night cruise over the Baltic. She will begin her homeward flight early tomorrow morning. The 100 kilometer speed averaged by the giant airship during the greater part of its day-flight cruise was liberally exceeded on short stretches when the dirigible had the wind at her heels.

Intrepid Aviators Reach San Francisco

SAN FRANCISCO, Cal., Sept. 25. (AP)—The United States army flight around the world, nearing its terminus, Seattle, brought the three planes and their intrepid navigators to San Francisco today.

An accident delayed, but did not mar, their arrival. Lieutenant Leigh Wade was forced down at South San Francisco with a broken battery and had to wait for a new one. Meanwhile the other two pilots, Lieutenant Lowell H. Smith and Lieutenant Erik Nelson landed at Crissy Field. Lieutenant Smith, leading, swooped down on the field at 3:19:25 p. m.

Lieutenant Wade having installed his new battery, reached Crissy Field at 4:02 p. m. The fliers had expected to hop off tomorrow for Eugene, Ore., enroute to Seattle, but announced that they would delay their departure until Saturday.

San Francisco's welcome to the aerial circumnavigators of the world was no less lusty than the greetings that have awaited them at every other stop since their return to their own country. More than 25,000 persons ringed the landing field and yelled their admiration.

"That Golden Gate sure looked good to us," was Lieutenant Smith's first remark.

The hop from Santa Monica took five hours and seven minutes, including the mishap to Wade. When they arrived here the fliers had covered approximately 27,000 miles of their globe girdling flight and had spent between 350 and 355 hours in the air, according to a log kept by Lieutenant Leslie T. Arnold, mechanic to Lieutenant Smith.

THREE COOL BANDITS ROB HEYWORTH BANK AND GET AWAY SAFE

Stick Up Cashier At Noon
Hour With Deputies
Close At Hand

BLOOMINGTON, Ill., Sept. 25. (AP)—Three unmasked men held up the cashier of the Heyworth State Bank near here at noon today and escaped with \$5,000 in cash, \$10,300 in negotiable securities, other securities, and bank records.

L. T. Rutledge cashier was alone in the bank at the time. Two roughly dressed men entered, one demanded, in answer to his polite query, "something?" "Sure, stick 'em up."

Very emphatically came a menacing reply.

Systematically, unhurriedly, the group went about their work and when completed left unperturbed.

The getaway was clean. Satisfactory descriptions of the men have not been given.

Not a shot was fired. Not an inkling of knowledge of the robbery awakened the town to action. The big car in which the men effected their escape left the village slowly toward the south.

At 12:15, the time of the robbery, two deputy sheriffs were eating a luncheon in a restaurant a block away from the bank. At 12:30 they left the cafe, and having heard nothing of the robbery, entered their car, drove two miles south of the city, transacted some business and drove back, arriving about 12:45. Then they received the first news of the robbery. They left immediately on the trail, a half hour, perhaps 20 miles behind the bandit car. No trace had been found of the robbers late tonight.

COTTON MAKES BIG ADVANCE IN PRICE

WASHINGTON, Sept. 25. (AP)—Senator Harris, Democrat, Georgia, author of the law requiring more frequent reports by the agriculture department in a formal statement today declared that cotton advanced \$10 a bale on Tuesday's agricultural department report on cotton conditions and saved the farmers of the south many millions.

"The only protection to the cotton producer from the gamblers who manipulate the price from private reports is frequent government reports," the statement said. "Under the old law these reports were made monthly but under the new law they are issued twice a month as deterioration in the cotton crop in a month's time often runs into millions of bales."

QUAKER CITY WANTS BUTLER TO REMAIN

PHILADELPHIA, Sept. 25. (AP)—Plans for the town meeting to urge the retention of Brigadier General Smedley D. Butler as superintendent of public safety were being pushed forward tonight by the law enforcement league, which has asked President Coolidge to enter the controversy.

Governor Pinchot was asked to act as chairman of the meeting which will be held next Monday night.

The president let it be known at the white house today he would not reply immediately to the enforcement league's request for intervention and the subject was not broached during the visit of Mr. Coolidge here tonight.

POSTMASTER KILLED WHEN HIT BY AUTO

Danville, Ill., Sept. 25.—Charles M. Hay, postmaster at Grape Creek near here, since 1896, was struck and almost instantly killed by an automobile in front of his postoffice late today. He was a veteran of the Civil War and one of the oldest residents of this county.

THEO. ROOSEVELT PICKED TO MAKE GOVERNOR RACE

Klan Mentioned By New York Republicans In Resolution

ROCHESTER, N. Y., Sept. 25.—(AP)—Theodore Roosevelt of Oyster Bay, assistant secretary of the navy and son of the late president was nominated for governor by the Republican state convention here on the first ballot. He polled 565 of the 990 votes in the convention, sixty-nine in excess of the necessary majority. The nomination was made unanimous and by acclamation.

Seymour Lowman, Elmira, was nominated for Lieutenant Governor.

When informed of his nomination, Colonel Roosevelt said: "The Republican party has done me a very great honor and I am deeply gratified. Our platform is sound, constructive Republicanism. I stand on it four square."

"President Coolidge has given the country an unequalled administration. We in this state will bend every effort to back up Calvin Coolidge."

Later Colonel Roosevelt was given a tremendous ovation when he appeared on the convention platform just before final adjournment.

Mrs. Florence E. S. Knapp, Syracuse, the nominee for secretary of state is the first woman to be a candidate for state office in New York on the Republican ticket.

"This has been a fair fight," Mrs. Knapp said, immediately after her nomination had been ratified by the convention. "And it has shown that when women want political office the men are willing to give it to them provided they are fit for the job."

There was cheering when Chairman Orden Mills of the resolutions committee read the plank in the platform denouncing the Ku Klux Klan by name. The platform was adopted by a viva voce vote, a thunderous chorus of "aye" and a less vigorous and less voluminous volley of "no" the latter from those delegates who objected to the naming of the Klan.

The anti-klan plank in part follows:

"The Republican party now, as from the beginning of its existence, recognizes neither color, nor creed, nor race, as a test of good citizenship or as a disqualification for any form of national service or national honor."

"It could not do this and remain either Republican or American. We condemn and oppose any organization whether it be called 'Ku Klux Klan' or by any other name, that seeks directly or indirectly to weaken this fundamental American doctrine either in letter or in spirit. Moreover, we condemn any candidate or party that endeavors to make political capital out of such an issue, and, while posing as its champion, betrays the cause of liberty by a direct appeal to racial and religious groups."

The platform endorses the administration of President Coolidge and pledges the party in the state to the support of the Coolidge and Dawes ticket and assailed the Democratic administration of state affairs, characterizing it as inefficient, insincere and lax.

MINISTERS LEAVE TO INTERVIEW HIGHT

CARBONDALE, Ill., Sept. 25. (AP)—Rev. J. S. Cummings, of Robinson, and Rev. T. B. Sower, of West Frankfort, left here tonight for Nashville to interview Rev. Lawrence M. Hight of Ina, confessed poison slayer of his wife and instigator of the poisoning of Wilford Sweeten, whose widow he had desired to marry. The two ministers will make their report to the Southern Illinois conference of the Methodist Episcopal church in session here.

The two ministers were appointed to act for a special committee named today when the Hight case was first formally brought before the meeting and to investigate formally the charge of murder that has been issued against Rev. Hight. The two clergymen will act as judge and jury in the case.

GENERAL MOTORS MAKE CHANGE IN CONTROL

New York, Sept. 25.—The representation of J. P. Morgan & Co. in the control of the General Motors corporation was increased today thru the election of George Whitney, a partner, as a director and member of the General Motors finance committee. E. R. Stettinius, another Morgan partner is a member of both boards.

Other important changes made by the General Motors corporation included the election of Charles T. Fisher and Lawrence P. Fisher, both representing the Fisher Body corporation, as directors and the addition of Fred J. Fisher, of the same company to the finance committee.

HIGHT SURRENDERS CREDENTIALS, ALSO ISSUES STATEMENT

Takes Full Responsibility
For Crimes, Before
Ministers

NASHVILLE, Ill., Sept. 25. (AP)—Rev. Lawrence M. Hight of Ina, held here on charge of having poisoned his wife whose death by poison he confessed to having instigated agreed tonight to surrender his credentials as minister of the Methodist Episcopal Church. Promise to give up the document was made to a committee of ministers representing the Southern Illinois Conference of the church in session at Carbondale. Before agreeing to surrender his credentials, the prisoner signed a statement which will be submitted to a special conference committee named today to investigate the case.

Two ministers, Rev. J. S. Cummings, representing the prosecution in the church investigation and Rev. T. B. Sower, appointed as counsel for the prisoner, arrived here this evening accompanied by two other ministers.

The statement follows: "On Wednesday, Sept. 10, 1924 in the town of Ina, Jefferson county, Illinois, I administered poison to my wife, Anna Hight, from the effects of which she died September 12, my purpose in administering the poison was to destroy her life. This act was premeditated and was done with deliberation and full knowledge of its consequences."

"Furthermore, I was an accessory to the death of Wilford Sweeten, in that I provided poison to be administered to said Wilford Sweeten by the hand of his wife, Elsie Sweeten, which she subsequently did."

(Signed), Lawrence M. Hight.

When the delegation departed Rev. Hight broke down and wept.

CHAOYANG'S CAPTURE BY MANCHURIANS IS DENIED IN PEKING

Town Of Huchow South Of
Shanghai Taken By
Kiangsu Forces

PEKING, Sept. 25. (AP)—The headquarters of Wu Pei Fu, the commander-in-chief of the Peking government army denies the report from Mukden that Chang Tso-lin the Manchurian leader has captured Chaoyang, a town on the Chinese-Manchurian border. On the contrary it is asserted that that town is defended by a majority of the thirteenth division, which has already arrived there.

Chaoyang is important strategically, being the terminus of a recently constructed railway eighty miles long, connecting with the Peking-Mukden railway north of Chinchow. There are also coal mines in this vicinity.

Washington, Sept. 25.—John K. Davis, consul at Nanking, reported to the state department today a statement by Admiral Lu of the Nanking navy that four vessels of the Chinese independent navy had joined his fleet but that one torpedo boat had returned to the Kiang arsenal and that the Cruiser Raichow was aground, altho it was expected to be refloated.

The capture of the town of Huchow, south of Shanghai, by Kiangsu forces also was reported. Admiral Lu and General Tai and Chen of the Nanking forces, the consul added, were expected to move across Taihu Lake, forty miles west of Shanghai toward Huchow to join the Anhwei troops at Kashing.

CONSIDERS SMALL'S SLOGAN AS "JOKE"

MORTON, Ill., Sept. 25. (AP)—Dismissing Governor Small's hard road campaign as a "joke" Allen D. Albert of Paris, Ill., Democratic candidate for congressman-at-large, speaking at the Tazewell county fair here today passed on to issues he declared more important.

Mr. Albert's attack on Governor Small centered on three points, enumerated by him as "the charge that law had been set aside in favor of civil service examinations, that an attempt had been made to use public funds in the campaign, and that criminals have been pardoned without consideration of law or justice."

UNIVERSITY PROFESSOR GIVEN HIGH HONOR

Urbana, Ill., Sept. 25.—The first American professor so honored, Prof. Julius Gobel, head of department of German at University of Illinois has received word of his election to membership in the Berlin Academy of Sciences, the famous German scholar, mathematician and philosopher, who invented differential calculus. Its membership is constituted by the foremost scholars in all branches of science in the University of Berlin and selected years of distinction in other countries, making it one of the most illustrious societies in the world.

SUPPORTERS OF LAFOLLETTE MAY YET HELP CAUSE

California Voters Are
Asked To Pick Out
Right Electors

SAN FRANCISCO, Cal., Sept. 25. (AP)—The LaFollette-Wheeler state campaign committee late today filed with the state supreme court an application for a re-hearing on their petition for a writ of mandate instructing the county clerk of Marin county to receive, examine and forward to the secretary of state, the nominating petitions for the LaFollette electors and place them on the November ballot. It was announced that the members of the court had left the state building for the day and that the matter could not be taken up until tomorrow.

The committee at the same time planned to ask county clerks to receive the nominating petitions pending possible favorable action by the court.

Washington, Sept. 25.—Aroused by the court decision barring his electors from the ballot in California, Senator LaFollette, independent presidential candidate planned today to conduct a vigorous personal campaign in that state.

In a formal statement, Mr. LaFollette said that California voters can still "register their support of the independent progressive candidacy by voting for the Progressive electors named on the Socialist ticket, altho they would have preferred to vote for electors named on an independent ticket."

The statement was issued after the senator had been notified yesterday relative to the decision of the supreme court by Rudolph Spreckels, his western campaign manager and by Frank Havenner, California state manager.

Word went out from LaFollette headquarters that the court's action had made the Wisconsin senator more determined than ever to invade California during October.

Word went out from LaFollette headquarters that the court's action had made the Wisconsin senator more determined than ever to invade California during October.

Mr. Spreckels in his message declared that "the reactionary and predatory interests may have given a sigh of relief when they read that LaFollette electors named in the nominating petitions have been denied a place on the ballot, but they will find the effect upon the majority of California voters will be unfavorable to the candidates nominated by the special privilege interests which dominate the Republican and Democratic parties."

Mr. Havenner predicted that the campaign to elect Senator LaFollette would be continued with redoubled vigor and that "an outraged people's indignation will overwhelm the high hopes of the reactionaries who are rejoicing over the court's decision."

CATHOLIC CHURCH AND OLD PARTIES SCORED

RALSTON, Va., Sept. 25.—Gilbert O. Nations, presidential nominee of the American Party, in a campaign speech here tonight devoted his attention chiefly to prohibition and the Roman Catholic Church.

"No friend of prohibition," he said, "can afford to vote for Mr. Coolidge."

"The Democratic ticket is no better," and Senator LaFollette "is as wet as Lake Michigan." The American party ticket, he added, favors drastic penalties for prohibition violations and "deportation of alien lawbreakers."

Demanding establishment of a department of education in the cabinet he asserted "that the only tangible and organized opposition to the proposal in the six years it has been before congress has come from the Roman hierarchy as the enemy of public education."

"It doesn't matter where you're located, so much as what you've got in you," says a professional adviser. Well, a rum ship full of liquor, seized off the Jersey coast the other day, was freed by the prohibition authorities because it was captured more than 12 miles out at sea.

LIKES PUBLICITY

Congressman John P. Hill of Maryland has been indicted and will stand trial for violation of

the prohibition law. The congressman who has been a violent advocate of revocation of the Volstead act, recently advertised a hard cider party at his farm home, to which hundreds of people were invited. He declared he was serving 2.75 cider and wanted the law tested.

The action he took was so patently in violation of the law that the desire for publicity must be the real reason for the congressman's course.

THE SALVATION ARMY

Colonel Brengle is right in his statement that the Salvation Army came out of the world war with a name for service which has given the organization a higher place in public affairs than it held before. In earlier years the Salvation Army was often jeered at. In many instances its members were subjected to abuse and to arrest. But there was a gradual change and then came the war, with the Salvation Army sending its relief workers to army fronts almost as rapidly as the troops moved.

It was a record of self-sacrifice and service that the world has not forgotten, and that record is aiding the Army today as it ministers both to the physical and spiritual needs of the people in many communities.

TO HONOR MR. NICHOLS

It is a fitting thing that the people of Jacksonville are planning for a celebration as a testimonial to the generosity and services of S. W. Nichols. In many ways thru the years Mr. Nichols has shown his genuine interest in Jacksonville and its people. He has made personal sacrifices in order to do good for the people. It was his action that made the beautiful Nichols park of today a possibility. In various other ways he has furnished an example of what people might do for others.

The program for the celebration has not been fully outlined, but certainly the thought is worth while and the recognition which will thus be given Mr. Nichols is due him for services rendered.

ganization to be used in his campaign for reelection, falls with a statement from the contractors that the story is interesting but untrue. The contractors freely acknowledge that they have raised a fund to pay the expenses of an educational campaign to let the people know the terms of the \$100,000,000 bond proposal. The contractors will expend their own money to explain to voters that under the plan proposed the money from automobile license fees will pay the principal of the bonds and the interest, but particularly to impress them that failure to vote at the election means a vote against the proposal.

There is nothing improper or unusual in a group of men engaged in any one line of business raising a fund for advertising purposes for the development of that business. Such is the substance of the contractors' move. It is worth remembering too that some of those who are now objecting to the bond issue proposal were a few years ago demanding that Governor Small build hard roads at any cost. His refusal to do so until prices for materials were reduced saved millions of the taxpayers' money.

BETTER PROTECTION THAN NO JOB

Relative prices under a protective and under a free-trade tariff do not furnish a criterion for judging their respective merits.

The Democratic claim that a lower tariff means lower prices holds true only so long as may be necessary to put out of business the American competitor of the foreign exporters. Just as soon as the American enterprise has been forced to close its doors by the entrance of the cheap foreign competitive product into the American market, the foreign producer will promptly mark up his own prices and they will presently soar to new high levels.

Competition is the only influence that holds prices down, and the moment that is removed there is no limitation to the upward movement.

The people should also bear in mind that prices are high or low only in a relative sense—in their relation to each other and in their relation to the purchasing power of the public. If it costs a man \$5 a day to provide necessities and comforts for his family and his daily income is \$6 he is in a far better position than he would be if the cost of living were reduced to \$3 and he were out of a job and got nothing. The second cost level shows a reduction of 40 percent from the first, but in its relation to the man and his family it shows a rise to impossible heights.

EXIT, 5-CENT CUP OF COFFEE

BY ALBERT APPLE

That pleasant institution, the 5-cent cup of coffee, will soon be only a memory. This sad news is conveyed by a speaker at the restaurant owners' national convention. It will depend on whether competitors will come forward with coffee at 5-a-mug when restaurants kite the price.

Coffee is the king pin of the eating-house business. One large chain of restaurants built up its trade largely by reason of the excellence of its coffee.

A good cup of coffee, coming at the close of a meal, takes the curse off a lot of poor cooking that has gone before. And if the coffee hasn't that indescribable flavor for which Americans are so keen, the whole meal is apt to become a regret rather than a pleasant memory regardless of the tastiness of the food.

That a cup of good coffee should be served for 5 cents is something the average American considers part of his heritage, not to mention that it is an institution of democracy. To charge him more is tempting fate. It's like taking the baby's rattle away, or trying to wrest peanuts from the elephant's trunk.

Still, a lot of other famous 5-cent institutions have practically passed—including a big serving of pie, the nicker cigar and the ice cream soda.

That revolt in Brazil may interfere with our coffee supply later. An aggravating complication is that the coffee crop this season is below last year's. As to how much, estimates range as high as a million and a half bags.

Americans use more coffee than any other people—over 200 million dollars worth a year, in the raw state, wholesale price.

We're now consuming over 13 pounds of coffee a year for every man, woman and child. This is two pounds more than in 1923.

Prohibition is responsible for this increased drinking of coffee. People are getting from coffee a part of the stimulant they formerly secured from a bottle with

slightly increased prices to the consumer, it is also true that the protection to American industries thus afforded assures an income to the wage earner that enables him to pay that slight increase in the cost of living, and have enough left over for additions to his savings account. Remove those duties and the cost of living may drop for a while, but the wage earner is presently out of work due to the closing of his establishment, and he has not the wherewithal to pay any price, however low.

THREE IMPORTANT SIDES TO LIFE

Col. S. L. Brengle Stressed Spiritual Things in Addressing Rotarians—Forester For Phone Company Told Needs of Trees.

Col. S. L. Brengle was a speaker at the Thursday luncheon of the Rotary club and in a way which made his audience think, laid emphasis upon the importance of the spiritual in life.

Another speaker was J. F. Whitte, who has for many years served as forester for the Illinois Bell Telephone Co., and who believes that the trees should be treated very much like members of the human race when they have suffered from windstorm, the decay of years or disease.

R. W. Woolston, president of Rotary, presided and the guest list of the day included Adolph Dauber and H. Ross of Chicago, B. D. Miller of Effingham, Ill.

President Woolston made announcement of the inter-city Rotary meet to be held at Urbana, Nov. 1 and appointed as members of the On-to-Urbana committee: Earl M. Splink, Walter DeShara, C. E. Segner, W. T. Harmon and H. L. Caldwell.

Trees Need Care. Mr. Whitte in talking about trees said that in most cities they are planted too close together and that an error is made in placing them in the boulevard instead of on private property. The trouble with a tree in the street is that the gas pipes, water mains and sewer pipes are almost certain to interfere with the nutrition of the tree and so with its growth.

Mr. Whitte talked about the necessity of trimming trees, spraying them and taking care of the damage which may come thru storms, from insects or disease.

Col. Brengle, who is here conducting a special series of meetings at the Salvation Army barracks, is a man of wide culture and experience. He has been in philanthropic work for thirty-nine years and has traveled extensively. Making reference to the fact that service is the motto of Rotary, he said society is divided quite readily into three classes: those who serve, secondly those dependents who are served and third, the parasites who live upon society without performing any useful service.

The Spiritual in Life. Then Col. Brengle went on to emphasize the needs of the physical, intellectual and spiritual sides of mankind. He said all honor should be paid to those who minister to the physical and intellectual well-being of mankind, but that still more important is the spiritual life. He was not speaking in any sectarian way, or of any special creed but said that man comes in touch with nature but that he is a living soul, allied with the dust and with Deity.

It depends upon himself just how far he arises from the dust, how high he reaches out to God. But caring for souls, this feeding of the spiritual life, is not the duty simply of those we call religious leaders, but the duty of business and professional men, those who thru well ordered lives and their fairness to their fellowmen, teach that righteousness exalts individuals and the nation.

JACKSONVILLE TO HAVE DECORATING SYSTEM

Uniform System Sponsored By American Legion To Be Adopted Here.

A uniform system for decorating the city of Jacksonville, sponsored by the American Legion and unqualifiedly endorsed by the Chamber of Commerce Board of Directors, will soon be in use. The system will enable merchants of the city to decorate the streets in front of their business establishments on very short notice.

This system is now in use by St. Paul and Minneapolis, Minn., Springfield and Champaign and hundreds of other cities throughout the country. Residents in the city who have visited the cities where this form of decorating is carried on are enthusiastic in their praise for it.

The decorations will consist of a United States flag 4 feet by 6 feet on a staff twelve feet in length. They will be placed in front of the business houses of the city twenty feet apart, and will be so arranged that when a prominent citizen or leader of the country is called by death, they can be lowered at half mast.

It is hoped by those in charge of working out the system that they may have the city arranged for decorating purposes by Armistice Day.

GREAT LAUGH PRODUCER COMES SATURDAY

"It is to laugh." I wonder how many theatregoers remember the history of that expression. Twenty years ago it was on every tongue, and as popular as "Yes! We Have No Bananas" is today. I'll tell you. Louis Mann was playing the comedy character at the old Herald Square Theatre, New York, in a musical play called "The Girl From Paris." He portrayed one of those impossible "Half Breed" Germans, with a choice selection of sadly dislocated German - Jewish - American phrases. His language was a cross between a stale sardine and a loaf of pumpernickel. His make-up depicted nothing human. His Dear Old Mother came to see him accompanied by other members of the family. When Louis appeared, the faces of his friends and family, were a study. The absurdity of his character was so flagrantly nonsensical that they did not know whether to applaud or feel ashamed. But here is where mother saw the situation and came to the rescue in a way that made history. "It is To Laugh," said she, and she did as did also the entire family and an overflowing audience. That simple phrase was ample apology for the absurdity of his make-up and all else. The saying became famous the world over and helped keep the play for many months. That is the full explanation of "Bringing Up Father in Ireland" which comes to the Grand Theater tomorrow afternoon and evening. The play hasn't a particle of rhyme or reason to it. No attempt to present art, either in music or scenic vesture. But "IT IS TO LAUGH"—that excuses everything, and pleases the trouble laden public better than the alleged artistic attempts at amusement by many more pretentious productions. George McManus' daily cartoon picturization in a hundred newspapers throughout the entire world, furnishes more hilarity than any play ever did. "Bringing Up Father in Ireland" is the cartoons come to life.

That's the price paid for one book—\$19.75! This is at a New York auction of old and rare volumes. The book in question was a copy of Sanderson's "Biography of the Signers of the Declaration of Independence."

Things are unbalanced when any man can pay for a lone book, tattered and old, more than the average family can save in a lifetime by working their fingers to the bone, even though spending the money does put it into circulation.

How System Saves

One marked advantage in having this company act as executor of your will and trustee of your estate is its businesslike systematic methods developed over a period of more than 50 years.

There is a time and place for every step to be taken. Nothing is omitted. There are no unnecessary delays. Investments are periodically reviewed and carefully watched. Accounting is exact.

Contrast this effective, dependable system with the work of the average individual executor trustee without facilities to do a businesslike job.

ONE OF AMERICA'S
OLDEST ACTRESSES
IS DEAD IN BOSTONMade Debut In 1853 And
Retired From Stage
Wealthy In 1891

BOSTON, Sept. 25. (AP)—Lotta Crabtree, retired actress who thirty years ago was reputed to be the richest individual in stage life, died tonight at the hotel which she had made her Boston home since her retirement at the height of her career in 1891. She was 77 years old.

Started as "Lotta," Charlotte Mignon Crabtree sang, danced and played herself into the hearts of the theatre-goers of a generation ago all over the United States, and in 1891 retired, at the height of her success, with a fortune estimated at above two million dollars. She was then known as the richest individual in stage life.

Over the bookshop which her father, John Ashworth Crabtree, kept on Broadway, New York, the little comedienne was born November 7, 1847. The book-

seller was one of those who followed the gold rush to California, taking his family with him, and it was on the Pacific coast that Lotta scored her first childish triumphs. She made her debut as an actress when only six years old at Petaluma, Calif., when she played Gertrude in "The Loan of a Lover."

At the head of her own company, at the age of seven, "La Petite Lotta" played one-night stands throughout the mining region and in those days scored her

biggest night at a rough Nevada camp where, after a rather hostile reception, she finally won the hearts of the miners that they pitched bags of gold-dust and nuggets at her feet.

Lotta's mother, Mary Ann Crabtree, was in those days, and through the comedian's stage career her constant companion, exercising so strict a chaperonage that it was said all suitors were frightened away; and she also acted as treasurer for the Crabtree fortune which began with the miners' gold-dust. Roughing it from camp to camp, Lotta became the pet of all, and finally drifted east to try her luck in New York. There, at first, she was a failure. She was first seen there in old Niblo's garden, but she made such an unfavorable impression on this first occasion that she returned west for a time. In Chicago she found better fortune, making such a hit in "The Seven Sisters" that an enthusiastic admirer at McKiver's Theatre one night threw to her, neatly done up in a handkerchief, a \$300 watch and chain. Three years later, in 1868, she appeared in New York again, in a record-breaking engagement at Wall-lack's Theatre, when she played with John Brougham in his adaptation from Dickens' "Old Curiosity Shop," under the title of "Little Nell and the Marchioness," both of which roles Lotta played with remarkable success. Brougham epitomized her stage work by calling Lotta "the dramatic cock-tail." She was, in the eyes of her admirers, altogether inimitable, although she had imitators by the score. A vivacious little creature, full of inexhaustible ebullitions of animal spirits and droll character, she gave free rein to her acting without falling into coarseness.

In the "Firefly," "Topsy," "Musette," "Bob," "Nittouche" and "The Little Detective" Lotta scored some of her greatest triumphs, although she appeared in a large number of other plays of the light-comedy variety. In London she met such a cold reception on her first and much-heralded visit, that she never ventured abroad a second time. Since her retirement in 1891, Miss Crabtree made her home in New York, Boston and California.

The vessel loaded with stone, left Sturgeon Bay Sunday morning for Detroit where she was due Monday. She was in command of Captain Emmett D. Gallagher, St. James, Mich.

WOODSON S. S. CLASS
NAMES NEW LEADERS

Woodson, Sept. 25.—The Golden Rule Bible class of the Christian church held its regular meeting this afternoon at the church, with Mrs. Bess Combes as leader. After the opening song, the review of the month's lessons, was given by Mrs. Lucy Grunder, Mrs. Luella Henry and Mrs. R. R. Jones. The class spent a few impressive moments in honoring the memory of a departed member, Mrs. Louise Henry.

A vocal duet was given by Mrs. Nettie Ezard and Mrs. Jones, after which the roll call was answered with scripture verses. The following officers were elected during the business session:

President—Mrs. L. P. Fisher.
First vice—Mrs. Morris Seymour.
Second vice—Mrs. John Fitzsimmons.
Secretary-treasurer—Mrs. Nettie Ezard.
Flower committee—Mrs. Charles Taylor and Mrs. Edward Gallagher.Membership—Mrs. Luella Henry, Mrs. Sarah Crain and Mrs. Ida McGinnis.
Finance—Mrs. J. T. Self, Mrs. Bess Combes and Mrs. Jack Rolston.

Mrs. Elizabeth Cline of Jacksonville, who has been for several days the guest of Mr. and Mrs. John Fitzsimmons, has gone to Murrayville to visit friends.

Mr. and Mrs. Hartley Birdsell and baby, and Mrs. S. H. Williams all of Chicago, were recent visitors with relatives in Woodson. Mr. and Mrs. James Seymour of Franklin visited friends in Woodson today.

Miss Helen Fitzsimmons is the guest of her grandparents, Mr. and Mrs. John Blimling in Jacksonville this week.

COL. SPRAGUE SPEAKS
TO TAYLORVILLE VETS

TAYLORVILLE, Ill., Sept. 25.—The battle for the disabled soldier is only half won, Colonel A. A. Sprague of Chicago, Democratic candidate for United States senator told a group of legionnaires and members of the American Legion auxiliary here today.

Without mentioning his candidacy for the senate, Colonel Sprague pleaded for co-operation among service men, for the relief of disabled veterans and scored Colonel Forbes, who is now under indictment for fraud in connection with his administration of the veterans' bureau.

Colonel Sprague was entertained at dinner by the J. I. Ivan Dappert Post of the American Legion and by the American Legion auxiliary.

Lowden will take
STUMP IN TENNESSEE

Memphis, Tenn., Sept. 25.—Announcement was made here tonight that Frank O. Lowden, former governor of Illinois, probably would take the stump in Tennessee within the next two weeks in support of the National Republican ticket. It was stated that in all probability Mr. Lowden would deliver at least one address at Nashville on a date to be selected.

Mrs. Ellen Berg and Mr. and Mrs. George Berg were visitors in Jacksonville yesterday from Hillview.

WHEELER CLOSES HIS
MINNESOTA CAMPAIGN

DULUTH, Minn., Sept. 25.—Two audiences in northern Minnesota, the last which he will address in the state this campaign, heard Senator Wheeler, independent candidate for vice-president, discuss issues on which Senator LaFollette appeals for support. General Dawes, Republican candidate for vice-president came in for renewed criticism in both talks.

He travelled 150 miles by automobile into the Iron mining country to make the first address at Virginia, but came back to Duluth for the second and final appearance.

"I'm glad to come up here into the iron range, where the steel trust once dominated," he said at Virginia, "to find that its power in politics is now broken and the workers and the farmers have combined to elect their own representatives and to govern themselves. That is what we did in Montana where we had the copper trust and that is what we propose for progressives to do with their national government."

Senator Wheeler also repeated his charge of corruption in the Republican national administration. He left to continue his tour into Iowa late tonight.

LOST STEAMER IS
YET UNLOCATED

CLEVELAND, O., Sept. 25.—Although E. R. Schneider, general manager of the Progress Steamship company, owner of the whale-back freighter Clifton, was still hopeful tonight that the vessel with 28 aboard and more than 72 hours overdue at Detroit would show up, lake men virtually have given up hope for her safety.

Steamers requested to search for the vessel in Lake Huron and Saginaw Bay had found no trace of the vessel tonight. The last information regarding the Clifton was a report that the boat was seen passing Mackinaw Sunday morning. A 56-mile gale swept Lake Huron soon after.

The vessel loaded with stone, left Sturgeon Bay Sunday morning for Detroit where she was due Monday. She was in command of Captain Emmett D. Gallagher, St. James, Mich.

WAVERLY

Waverly, Sept. 25.—Miss Ethel Allen of the W. T. H. S. Faculty was hostess to the other faculty members at her home recently. Numerous games were indulged in, followed by the serving of delicious refreshments. Those present were: Principal and Mrs. O. L. Bockshahler, Mr. and Mrs. I. L. Sears, Mr. and Mrs. W. D. Strohecker, Mrs. Wilson M. Smith, Misses Abby Jacobs, Ruth Barney, Mildred Stokes, Iona Lyon and M. R. Malsbury.

Mrs. Lester Davenport entertained the Country Club of Household Science Wednesday afternoon. The roll call was responded to with interesting facts and the remainder of the time was spent in a social way, with games and music. John Davenport sang several selections, which were greatly enjoyed.

Miss Martha Chiles of Rohrer and Grover McMahan of this city were united in marriage Thursday of last week at the court house in Springfield, and have returned to Waverly, where they will live with the groom's mother, Mrs. Julia McMahan.

Mrs. Henry Horton visited in Springfield several days last week at the home of her sister, Mrs. R. D. Berry, who had recently returned home from a summer's trip to Europe, visiting Great Britain on the continent and the Scandinavian countries. Miss Ethelene Rohrer of Virden was also a member of the party, which was a private one, under the guidance of Prof. Flotan, the return trip being made on the S. S. Mauretania.

Mrs. Dwight Thorne and little daughter of Jacksonville made a short visit last week with relatives here.

Mr. and Mrs. Fred Cody of Kauka spent several days last week visiting at the home of the former's brother, J. J. Cody and family.

treasurer, Carl York, appointed last night to take the place of Leonard Potter, who is leaving the city.

The local Lions are doing considerable proud roaring over the fact that two boys who were awarded college scholarships by the Lions club of Quincy have selected Illinois college and are now in attendance there. One of the students, Joseph Bringaze, was a special guest of the club last night. He was awarded a scholarship of \$500, or first place. The ward was based on scholastic ability, participations in high school activities and general character. The other lad who chose Illinois college was Mr. Brangert, and he received a scholarship of \$100, or third place. The Quincy Lions club gave away a total of \$600 in college scholarships as awards to students in the Quincy high school.

President Harry Snyder appointed a committee consisting of J. V. Kennedy, Carl York and Cleon Bell to audit the treasurer's books. The meeting last night was opened with the regular Lion's song. Talks were given by Col. Bringle and Capt. Ryan of the Salvation Army. Col. Bringle emphasized the fact that the heads of families should teach religion in the home, in order to train the children in right living.

The club has inaugurated a plan of hearing from each of its members on his particular line of business. Last night time was given for the first of these talks, which was made by Leonard Potter. He gave the club a brief history of banking, explaining the origin and details of the U. S. banking system. The members found the talk interesting and it is believed these addresses of the club men given from time to time will prove an attractive feature of the program.

COOLIDGE LEADS IN SECOND WEEK'S POLL

La Follette Retains Second Place as 272,299 Votes are Tabulated—Davis Third with Strong Democratic States Yet to Report.

Coolidge again leads in the second week's returns of The Literary Digest's huge presidential poll published today with La Follette second and Davis third.

Of a total of 272,299 votes tabulated, Coolidge has 162,473, La Follette, 63,534, and Davis, 42,611.

In California La Follette is running Coolidge a strong second, having 19,829 tallies to the President's 22,848. Davis is leading the field in Texas and Virginia and is also ahead of La Follette in Ohio, Kansas and West Virginia. In all other States the Senator from Wisconsin is leading the Democratic candidate.

"The poll at first blush" The Digest states, "may not seem very cheering to the Democrats, but a slight inspection will show the fact that, with two exceptions, the Democratic States are still to be heard from and when they begin to flood in their ballots, the figures may have another story to tell."

In California

"In the meantime it may be interesting to observe how firmly the LaFollette strength is holding up in California. The first returns, reported last week, gave Coolidge 1,624, La Follette, 1,561 and Davis 233. This week, the figures stand Coolidge 22,848, La Follette 19,829 and Davis 3,008. Most Republican political prophets have placed California in the certain column for Coolidge and certain their computations on a total electoral vote in which the Pacific State's thirteen ballots were included.

"California, it is recalled, upset one election, not long since, and from present indications, the State is far from firmly planted in the Republican column."

"The drift of votes shown in a general way by a tabulation of 'How the Same Voters Voted in 1920,' seems to suggest a loss of Republican strength to La Follette in California, a much smaller loss in Illinois, Pennsylvania and New York. Analyzing the vote in more detail, it appears from the markings of the ballots, that, of Mr. Coolidge's 22,848 votes from California 16,976 of the voters were Republicans in the last elections, 1,431 were Democrats, and 4,364 either cast no vote or neglected to declare their previous affiliation.

"Of Mr. La Follette's vote of 19,829, 10,075 say that they voted the Republican ticket in 1920 and 4,010 say they voted Democratic with 5,134 not voting. It appears therefore, that Mr. LaFollette is drawing heavily from both sides in the Coast State.

"In Illinois the LaFollette vote of 12,726 is drawn from 2,318 former Democrats and 6,715 former Republicans, with 3,353 who did not vote in 1920. Mr. Coolidge's vote of 36,309 in the same State is drawn 28,635 from former Republicans and 1,956 from former Democrats, with 5,647 not specifying.

"Mr. Davis' vote of 8,147, however, includes almost as many former Republican votes as Mr. Coolidge's includes former Democrats. In spite of his total vote of less than one fourth of the number credited to Mr. Coolidge, the Democratic candidate has captured 1,366 ex-Republicans. The whole matter of this floating vote, will, of course, gain in significance with increasing returns."

DEMOCRATS PLAN ACTIVE FIELD DAY

WASHINGTON, Sept. 25.—The Democratic national committee announced today that "the most active field drive yet undertaken by the Democrats in a presidential campaign, "would be started next week," covering every bit of territory comprising the 1924 political battlefield.

Speakers who will tour in the east, middle west, west and south, include Senators Harrison, Mississippi; Heflin, of Alabama; Caraway, of Arkansas; King, of Utah; Ashurst, of Arizona and Robinson of Arkansas.

Others on the list include former Senator James Hamilton Lewis of Illinois and former Secretary Newton D. Baker of Cleveland.

DEMURRERS SUSTAINED IN MOTOR TRUCK CASE

Chicago, Sept. 25.—Demurriers filed by three prominent Chicago business men, named as defendants in a suit brought by purchasers of stock in the Smith Motor Truck company, declared bankrupt six years ago, were sustained today.

The three men named are William R. Dawes, vice-president of the Central Truck company, P. L. Cooney, vice-president of the Link Belt company and David R. Forgan, president of the National City bank. They had served on a creditors' committee at the time the motor truck company failed, but the court held that this was not sufficient evidence upon which to hold them. The stock holders assert that three men knew that the company had not sufficient financial backing and yet permitted the sale of stock to continue.

ELIGIBLE VOTERS URGED TO EXERCISE RIGHTS

Want Majority to Choose Officials Not Minority—Less than 50 Percent of Voters Went to Polls in 1920.

Vote as you please, but VOTE. This is the information which is inscribed on small pamphlets which were distributed to members of the Jacksonville Kiwanis club at their luncheon yesterday noon, by Scout Executive S. A. Albrecht.

These four page booklets were received at Boy Scout headquarters from the National Boy Scout headquarters in New York. Each state in the Union is listed showing the total votes cast in the years 1912, 1916, and 1920 and the number of "ballot slackers" in each state.

While less than 50 percent of those eligible to vote went to the polls in 1920, Illinois shows a lower percent of those who failed to exercise their right of franchise. However, 1,372,411 voters of Illinois did not cast a ballot at this election.

The urgency of going to the

polls in November is stressed by the Kiwanians as well as the Boy Scouts and other organizations. They urge that every eligible voter be sure that he or she is registered and go to the polls and make their choice for president and not leave the choice to the minority.

CARPENTERS AND JOINERS NOMINATE OFFICERS

Indianapolis, Ind., Sept. 25.—Re-election of present officers of the Brotherhood of Carpenters and Joiners of America was predicted tonight when nominations at the convention being held here

showed that the Rhode Island delegation which had announced its intention of putting a separate and complete ticket in the field succeeded in nominating candidates for only two offices.

Willis K. Brown, Peoria, Ill., was nominated by the Rhode Island delegates to oppose William L. Hutchinson of Indianapolis, and Morris Rosen of New York, administration men, for president.

Menus for a Family

ADD SISTER MARY.
Breakfast—Oranges, cooked wheat cereal, creamed eggs on toast, corn meal muffins, honey, milk, coffee.

Luncheon—Cream of potato soup, brown bread and butter, chocolate pudding, tea.
Dinner—Lamb pie, potatoes au gratin, creamed lima beans, stuffed tomato salad sliced peaches, sponge cake, whole wheat bread and milk, coffee.

The four-year-old child can make his dinner of lima beans, mashed with a fork, bread and milk, have a ripe peach and a small piece of sponge cake.

No milk is suggested for the luncheon as the dessert and soup are both made with milk.

The cream of potato soup is a bit different from the ordinary variety and more nourishing.

Cream of Potato Soup
Two cups sliced potatoes, 1 cup diced celery, 1 small onion, 2 tablespoons butter, boiling water, 1 1/2 cups milk, 1 egg, 1 teaspoon salt.

Melt butter in saucepan, add onion peeled and cut in thin slices and cook over a low fire for five minutes. Add potatoes and celery and boiling water to cover. Simmer until potatoes are tender. Season with salt and pepper and add milk. Heat to the scalding point but do not let boil. Add egg and stir over the fire until egg is cooked. Do not let soup boil after egg is added.

Chocolate Pudding
One and one-half cups scalded milk, 4 tablespoons cornstarch, 6 tablespoons sugar, 1 teaspoon salt, 1 cup cold water, 1 square bitter chocolate, 1 teaspoon vanilla, 1 egg white.

Mix cornstarch, sugar and salt with cold water. Shave chocolate and add to milk while it is scalding. Add first mixture to hot milk and cook over hot water for 10 minutes, stirring constantly. The mixture should be thick and smooth. Cook 10 minutes longer, stirring occasionally. Remove from heat and pour slowly into the white of egg beaten until stiff and dry. Add vanilla, pour into mold and let stand on ice until cold and firm.

Lamb Pie
Eighteen small white onions, 1 1/2 cups diced cold roast lamb, 3 medium sized tomatoes, 1 teaspoon salt, 1 teaspoon pepper, 1 tablespoon butter, 1 tablespoon flour, baking powder biscuit dough.

Peel onions and cook in boiling salted water to cover until tender but not broken. Drain and put in a buttered baking dish. Remove meat from bone. Cover bone with cold water and simmer for an hour. There should be one-half cup broth. Add meat to onions in baking dish, cover with tomatoes pared and cut in slices. Rub butter and flour together and sprinkle over tomatoes. Pour over lamb broth. Sprinkle with salt and pepper, cover with dough and bake half an hour in a hot oven.

HUNDREDS OF STUDENTS AT CHURCH RECEPTIONS

Students From Local Colleges Receive Heavy Reception Last Night.

Nearly seven hundred students were in attendance last night at the socials given for their entertainment by the young people of the various churches of the city. Everywhere in the social rooms of the churches merriment and good fellowship reigned, and the students were made to feel that they have a warm welcome and a real place in the religious life of the community.

The banner for attendance goes to Grace M. E. church, where nearly 250 young people crowded the social rooms. The program consisted of games and general methods of getting acquainted. Refreshments were served. The following committees had charge of the affair:

In the receiving line were Rev. and Mrs. H. B. Lewis, Mr. and Mrs. T. V. Hopper, Miss Fern Haigh, Harold Cocking, Harold Hemmrough, Charles Williamson, Ellsworth Scott, Miss Marjorie Chapman and Miss Inabel Swain.

Decorations—Dorothy Yeck, Irene Stubblefield, Hugh Osborne and Ormand York.

Refreshments—Mrs. H. B. Lewis, Miss Inabel Swain, Miss Vera Coultas, Charles Williamson, Russell Dunlap, Harold Cocking, Ellsworth Scott, Harold Hemmrough and James Barnes.

Entertainment—Miss Marjorie Chapman, chairman.

First Baptist
Here the entertainment was in charge of the B. Y. P. U. About seventy-five young folks were present and enjoyed games and stunts. The chief feature was a railway train ride, in which the guests were taken for a tour of the country, visiting the Horse-shoe Falls, Yellowstone Park and other points of interest. The tour wound up at Hollywood, where the guests were treated to a play put on by members of the society, and entitled "Pinning Uncle Tom's Cabin." Substantial refreshments were served. The following committees were in charge:

Entertainment—Miss Ruth Fuller, chairman; Leon Stewart, Louis Gard, Galt Jackson and Howard Emmerson.

Decorations in charge of Henry Mason.

Eats—Miss Louise Guyette, Miss Ruth Easton and Mrs. Edith Mason.

Central Christian
About one hundred guests were entertained by the Christian Endeavor at Central Christian church. The first thing was a general get-acquainted period, followed by a formal program consisting of an address of welcome by Fred Hoskins, president of the society, and talks by Rev. M. L. Pontius and Ben Roodhouse. Mrs. Moneroff furnished some pleasing musical selections.

The social committee in charge of the affair consisted of Miss Margaret Schoedack, chairman; Neil Walker, Miss Mabel Ruyle and Miss Adelaide McCarthy.

Delicious refreshments were served.

Trinity Episcopal
One hundred students of Illinois Woman's College and Illinois college were welcomed at Trinity Episcopal church at a student's reception held last night. Dancing furnished entertainment for the evening, the dance being chaperoned by 20 ladies of the church. The evening's entertainment ended with the serving of refreshments consisting of ice cream, cake and coffee.

Congregational
Miss Marguerite Hyer, president of the Endeavor Society of the Congregational church, extended greetings last night to sixty students who are attending college in the city. The evening was spent in playing games and contests and refreshments were served.

Miss Meta Wiley was in charge of the games. Misses Lavina Scott and Margaret Johnson was on the refreshment committee and the reception committee consisted of Misses Edith Putnam and Elizabeth Johnson.

State Street Presbyterian
State Street Presbyterian church extended a royal welcome to forty students of the city's colleges, the evening's entertainment consisting of games and contests. At the close of the social activities refreshments were served.

Miss Thelma Pires was chairman of the entertainment committee and Howard Nichol served with her. Carl Lander had charge of the refreshments and Miss Vivian Pires and Robert Furry made up the invitations committee.

Westminster Presbyterian
Miss Eleanor Moore and Miss Laura McCune headed Westminster Presbyterian church's reception committee at the student reception held at the church last night. Forty young people were entertained with games and contests and at a late hour refreshments were served.

THREE ARE INJURED IN C. B. & Q. ACCIDENT

St. Louis Men "Bumming" Way to Beardsboro Brought to Passavant Hospital Suffering Injuries

As the result of a freight train accident which occurred at 2:30 a. m., Thursday morning, on the C. B. and Q. railroad, several miles south of Winchester, Leo Dwyer, 28, Edward Lawler, 47, and Dennis Lawler, 47, all of St. Louis, are patients at Passavant hospital, suffering from fractures, sprains and bruises.

According to the story the men tell, they were bumming their way from St. Louis to Beardsboro, where they expected to find employment. They were riding in a car of lumber, directly behind a car loaded with telephone poles. The freight train came to a sudden stop with a force that jammed the telephone poles thru into the carload of lumber, burying the men beneath it.

Dr. H. H. Fletcher of Winchester, physician for the C. B. and Q., brought the injured men to Jacksonville where they were cared for by Dr. Carl E. Black, the company's surgeon of Jacksonville, and entered in Passavant hospital.

Leo Dwyer is suffering a fracture of the left leg, which is broken between the knee and hip. Dennis Lawler is badly bruised about the head and back and sustained a fracture of the left shoulder blade. Edward Lawler is suffering from body lacerations, with injuries to his left shoulder and right knee. All of the men are badly bruised and sustained many sprains and small wounds.

PLAN TO PAY HONOR TO S. W. NICHOLS

People Will Unite in Celebration to Commemorate Services of Well Known Citizen—Committees of Arrangements Appointed

For some time plans have been under way for public recognition of the service that S. W. Nichols has given to Jacksonville through the years. Last night a group of citizens met at the chamber of commerce rooms when Tuesday, Oct. 7, was chosen as the date for this celebration and observance.

Dr. F. P. Norbury was chosen chairman of the group meeting last night and Harold C. Welch secretary. It was thru the generosity and initiative of Mr. Nichols that Nichols park came into existence and has so large a place in civic life today. This is but one of a number of things that Mr. Nichols has contributed to Jacksonville. He has aided Passavant hospital generously, and was one of the largest contributors to the Pilgrim Memorial of the Congregational church, and in many ways has shown his whole-hearted and generous interest in the city.

It remains for the program committee to determine just the form of observance, but it is expected that on the day set for the celebration that a half holiday will be declared, that a parade and program will have their place in the observance and that some sort of a memorial or memento at the park will be dedicated.

It is expected that a number of non-resident friends of Mr. Nichols will be here to join in the celebration in his honor. The committees appointed last night include the following:

Program—Dr. F. P. Norbury, Mrs. Kate Hollinger, Dr. E. D. Canatsey, John Kirk and Walter Bellatti.

Friends—T. W. Beadle, Memorial—Rev. G. E. Stickney, A. C. Metcalf, W. E. Boston, T. V. Hopper.

Parade and decorations—John Kearns, Terrance Brennan, J. G. Berger, E. A. Schoedsack, B. F. Shafer and J. A. Scott.

SHEEP DISAPPEAR ON FARM SOUTH OF CITY

W. L. Carter, residing four miles south of this city, reports the loss of his entire flock of sheep sometime Wednesday night. He had the animals in his barn lot and is of the opinion that they were stolen. He could find no trace of them, which seemed to prove that the sheep were taken from the lot by some person.

Mr. Carter states that eleven head of black-faced sheep were in the lot when he did his chores on Wednesday evening; but when he went to feed them yesterday morning, all had disappeared, and with all his searching yesterday, he could find no trace of them. The matter has been reported to the sheriff and will be investigated by officers.

MEREDOSIA A. H. T. A. TO HOLD PICNIC

Meredosia, Ill., Sept. 25.—The fourth annual picnic of the A. H. T. A. will be held here Saturday, Sept. 27. Burdock and fried chicken will be served to the visitors and music will be furnished by the Perry Military band.

A program has been arranged consisting of races, contests of all kinds and many exhibits are expected to be entered for prizes. A feature of the day will be a farm produce exhibit which will be donated to the A. H. T. A. and sold at auction to the highest bidder.

C. & A. INCREASES FORCE TOMORROW

On account of the adding of the Hummers to the Chicago & Alton trains passing thru Jacksonville, it was found necessary to again put on a third truck man at the Union Station. BIG PAVEMENT DANCE ON WEST NORTH ST.

Hundreds Gather For Frolic To Break in New Asphalt in Front of City Hall—See Plan for Municipal Entertainments.

A municipal dance to dedicate the new West North street pavement was held last night in front of the city hall. The pavement is wide and roomy at this point, and the crowd which came out for the frolic had plenty of space in which to dance to the tune of Rastus' Jazz orchestra.

William Reynolds, promoted the affair, which brought out a crowd of about six hundred people. Cars crowded adjacent streets, and hundreds stood about the ropes watching the dancers. People of all classes and walks of life turned out and gave the pavement a real initiation.

The dances were of the old-fashioned variety, consisting of quadrills, which were called off in true style by a citizen who had no doubt officiated at many a platform festival in the rural districts.

Everybody who attended the dance liked it, and all decided that if they got over this one, they would have another one sometime. Some see possibilities of a regular series of municipal pavement dances that everybody could enjoy, and it may be that some plan will be devised for holding such a group of public entertainments.

COL. BRENGLE SPEAKS AT LOCAL HIGH SCHOOL

Noted International Evangelist Gave An Interesting Talk at the Assembly Hour.

Colonel Samuel L. Brengle, D. D., internationally known Evangelist, Bible teacher, and Author, who is in the city under the auspices of the Salvation Army, conducting a revival campaign, addressed the students of the Jacksonville high school at the assembly hour yesterday morning, taking the two words, "Be Strong," from the tenth chapter of Paul's Letter to the Ephesians, as the text for his informal address. Col. Brengle is a speaker whose striking personality, combined with his audiences, and a keen sense of humor, has made him extremely popular as a lecturer and Evangelist. He was enthusiastically received by his high school audience yesterday, as was Captain Earl Lord, soloist, who entertained with two vocal solos.

"True living is service,—whole hearted, devoted service," Col. Brengle said in opening, following up his statement with a quotation from Woodrow Wilson, who said that a life lived as a thing worth while and satisfactory, must be devoted to a worthwhile service.

"The people of the world are divided into three classes," Col. Brengle continued, "Those who serve; those who are served; and those who are parasitic—the preys on society. All of you are fitting yourselves to be people of the first class, to be able to serve others. The first requisite to service is strength. 'Be Strong.'"

"Man is a three-fold creature, having body, mind, and spirit. On one side, he touches the animal,—the dust; on the other side, he comes in contact with the angels,—with God. There are some men who live in the dust, build their lives of dust, and perish in the dust. There are other men who live with God, and for God, and have life everlasting. It is these people who are strong."

"The people who bear the burdens and responsibilities of the world, who win the prizes of the world for achievement are those who are of great strength," Col. Brengle said, illustrating his point with references to such men as David Lloyd George of England, and Clemenceau of France, whose strong, vigorous bodies, which had not been wasted with vice and sin, so splendidly served them in the responsibilities that were theirs.

"There is also a strength of mind and a strength of spirit. Think straight and clean and true; get a deeper fellowship with God; then with heart pure, mind honest, and soul reverent, the joys of a life of service, will be yours."

SALVATION ARMY TAG DAY TOMORROW

All day and evening tomorrow girls will be stationed thruout the city with tags which it is hoped everyone will want to wear. Coin boxes will be carried by the girls and into these boxes the coins will be dropped by those who will want tags. The money which will be received will go to the Salvation Army, who will use it to care for the needy, the ill, the poor, and the old for the coming year. The girls will be glad to accept anything in payment for the little tag which the buyer may wish to give.

LOCAL MAN ACQUAINTED WITH MINISTER SLAYER

Eugene Vaughn of this city is probably more interested in the Hight-Sweetin double murder case at Mt. Vernon, Ill., than any other resident. Mr. Vaughn is a former resident of Mt. Vernon having moved to this city from there about two years ago.

He knew the accused minister who resided four miles from Mt. Vernon at Ina, Ill., very well, as practically all citizens of each town are known to each other, and while not acquainted with Mrs. Sweetin, has seen her many times.

Vaughn states that Rev. Hight impressed him as being insincere in his work and was lacking in actions that are those of a church leader.

He also knows State's Attorney Frank Thompson who investigated the deaths of Mrs. Hight and Sweetin and says he is a vigorous prosecutor. He believes the state's attorney will insist on the heaviest of penalties for the two.

KIWANIS CLUB HEARS SALVATION EVANGELIST

Col. S. L. Brengle Tells of Salvation Army Work at Club Luncheon Yesterday.

Jacksonville Kiwanians were interested listeners yesterday to Col. S. L. Brengle, Salvation Army evangelist, who is visiting Jacksonville this week. He told something of the work of the Salvation Army which was accomplished during the World War and what the organization is now doing.

Colonel Brengle stated that the Salvation Army was not recognized until during and after the World War. He said, the Army lads and lassies got as near the front battle line as was possible and ministered to the wants, not only the poor man's boy in khaki but to the rich man's son. When the millionaire's son came back to the Army huts, weary and sick in body and spirit and was helped along the way by the Salvationists, he then wrote to his relatives in the United States and the word was spread, about the work that was being carried on by these people in France and Flanders.

In looking back to the time of the founding of the Salvation Army we see the organizers of this body being persecuted in many ways. The speaker recalled the time when he was knocked to the ground by a brick thrown by one who was not in sympathy with the cause. This attitude, he said, has changed.

He urged that every man take a part in work for God. He said, we need the minister, the priest, the rabbi and anyone who will make us think of the Supreme Being. Our lives are incomplete until we do take part. Every man should be a high priest in his own household and begin teaching his family the right side of life.

Following Colonel Brengles address G. B. Andre gave an exceedingly interesting report of the Galesburg convention. He read a detailed report of the convention proceedings which took place at that city recently.

The guests of the club were Captain Earl Lord of the visiting Salvation Army band, who rendered two solos at the meeting which were very much enjoyed by the clubmen: Captain Ryan of the local Salvation Army; Captain McGuire, director of the Salvation Army drive; Thomas Adkins, manager of the Illinois College football team, who extended an invitation to the club to a football game which will be designated as Kiwanis Day.

Let Kellogg's Bran free your children from that dangerous disease—constipation

Children are subject to constipation. In the excitement of play, they neglect themselves and foster this dread disease. More than forty other diseases can be traced to constipation. Don't delay. Begin at once to cleanse their systems of the dangerous poisons.

Kellogg's Bran sweeps the intestine clean—and purifies it. It drives out the poisons which undermine your children's health. It makes the bowels function regularly and naturally.

Kellogg's Bran, cooked and krumbled, is guaranteed to bring results if eaten regularly, or your grocer will return your money. It is guaranteed because it is ALL bran! Nothing but ALL bran can be 100 per cent effective. Kellogg's Bran is recommended by doctors everywhere—they know from experience that it brings results.

Have your children eat it regularly—two tablespoonfuls daily—in chronic cases, with every meal. They will like its wonderful, nut-like flavor—no different from common bran which are most unpalatable.

As a cereal, with milk or cream, they will enjoy Kellogg's Bran, cooked and krumbled. Sprinkle it over other cereals. Cook it with hot cereals. Try it in delicious muffins, bread, griddle cakes and other recipes given on every package.

But start them eating Kellogg's Bran today. Start every member of your family eating it. Kellogg's Bran, cooked and krumbled, is made in Battle Creek and is served in individual packages by the leading hotels and clubs everywhere. Ask for it at your restaurant. It is sold by all grocers.

C. & A. OFFICIAL VISITS WHITE HALL

Chief Examining Official of Chicago and Alton Makes Visit to Greene County—Other Notes.

White Hall, Sept. 25.—The chief examining official of the C. & A., Mr. James R. Postlethwait, visited White Hall, Wednesday, in his special car, and his "overhauling" of local employees in both station and track service revealed the importance of his office, which was created only a few months ago. It is in his talk to the assembled employees that he makes the importance of the service and the responsibility come

BIG DANCE AUTO INN SATURDAY NIGHT

YOUR FAMILY LIKES SKINNER'S The Superior MACARONI

in full force upon his hearers. He related that with a yearly record of 154 wrecks from man failure recorded by the interstate commerce commission there arose the need for instructing the men in their duties and enforcing the lessons of loyalty to the service. In the course of which each employee is given a rehearsing in the rules of the operating department.

Mr. Postlethwait has enunciated three rules in order of importance that transcend all others. He says to each employee to safeguard first your own life and those about you, second safeguard the property under your supervision, and make time a third consideration. "Failure to comply with these rules is sufficient cause for dismissal" has been a familiar sentence in issuing instructions to employees, but this official says that his superiors do not take such an attitude, preferring the more humane admonition to employees that they, thru neglect, sometimes cause death and injury to themselves and others, as well as damage to property, and above all are most likely to bring distress and anguish to their own families.

This is the attitude of the op-

erating heads of the C. & A. railroad. Mr. Postlethwait said, and with such a humanitarian attitude "where is there an employee who will not do his utmost to conserve and promote the interests of the C. & A. company." Every employee received these words with hearty words of approval, making it certain that this splendid attitude toward its employees in instilling interest and loyalty to the service of the company and the public is in itself worth the cost of putting on the campaign of making sure that all are familiar with the rules and regulations of the most advanced railroad operation.

Mr. Postlethwait continued his journey south over this line with his car attached to the rear of the local freight. Of particular local interest was his statement that he will attend the service in the Presbyterian church here next Sunday night, which Rev. Carpenter has arranged for the attendance of railroaders, for which service Rev. Carpenter has used the complete mailing list of the Railway Historical Club of White Hall in addressing a special letter. At this time Mr. Postlethwait will respond to the address of welcome on behalf of the railroad men, the welcome being delivered by H. O. Tunison on behalf of the church officials.

Rev. Carpenter's letter is as follows:

"A short time ago I learned that there was a Railway Historical Club organized in White Hall, Illinois. This is a splendid thing and should receive our heartiest co-operation and endorsement, in view of the important part the railroads have played in our national growth and expansion and the World's work. I wish there were more railway clubs of this historical nature. In these days of the automobile, aeroplane and dirigible, we are often prone to forget our main arteries of commerce and transportation.

Let us forget their importance and attempt to push it in the background; and lest we forget the men who have extended their lives in faithfulness, sacrifice and service—we plan to have at least once a year an annual Railway Historical Club Service at the First Presbyterian Church of White Hall.

We herewith extend to you a cordial invitation to attend a meeting of this nature on Sunday September 28th at 7:30. A welcome message will be given by one of the Elders of the Church and will be responded to by one of your own number. My subject for the evening will be "The Royal Highway." I trust you will be able to attend and bring any railroad man with you whether actively engaged or formerly affiliated. Come and meet those of your buddies who expect to gather from this vicinity and even as far north as Bloomington and as far south as St. Louis. To my knowledge this is the first service of this nature to be held in this vicinity. Therefore let's make it a success and give the Railway Historical Club of White Hall "a darn good boost." Over one hundred and fifty men have been notified of this meeting and many have already responded favorably. Will you be the next?

Yours with a pass for the Royal Highway,

W. S. Carpenter.
P. S.—The original spike removed from the Laurel Pine Tie at Promontory Point, Utah, for the injection of the silver spike from Nevada will be on exhibition that night. Also a fully equipped miniature locomotive and train made by two of your own number and several other articles of historical interest will be exhibited.

COUNTY OFFICIALS SEIZE MUCH CIDER

Nearly 35 gallons of cider was seized yesterday afternoon by Deputies Henry Strawn and C. C. Pires at the establishment conducted by A. W. Kellogg on Illinois avenue. The officers state

that they found three ten gallon kegs of cider, not tapped and a five gallon keg of the cider which was being used.

Kellogg was arrested by the deputies and information probably will be filed against him in county court today on a charge of illegal possession of liquor.

Giants Need Two More To Clinch Pennant

PIRATES LOSE LAST CHANCE FOR PENNANT

Are Defeated By Giants Third Straight Time By Score of 5 to 4—Lack of One Score of Tying Up Game in Ninth Inning Rally.

NEW YORK, Sept. 25. (AP)—The New York Giants vanquished Pittsburgh for the third successive time today and advanced another step toward their fourth straight pennant on the wreck of Pirate hopes. A crowd of 15,000 saw the fighting Giant clan batter out a 5 to 4 victory and decisively crush the last lingering chance of Pittsburgh in the National League race.

The Pirates, however, went down with colors flying in the ninth inning when with two out they rallied and pulled up to within a run of the champions on Carey's home run drive which scored Schmidt and Moore ahead of him. But Art Nehf, veteran Giant southpaw, who had out-pitched his portside rival, Wilbur Cooper, and put his team in the lead with a homer in the fifth, checked the belated rally abruptly by striking out "Kiki" Cuyler, brilliant Pirate outfielder for the second time.

By making a clean sweep of the series the Giants increased their margin over the Pirates to four and a half games. Since the champions have only three games more to play they cannot be overhauled by Pittsburgh even if the latter won all its remaining five games.

Brooklyn is now the only obstacle in the path of McGraw's fight to hang up a record pennant string for modern baseball history. The Robins were idle today, so the champions stretched their margin over Robinson's crew to one and a half games, by winning two out of the remaining three with Philadelphia, Mc-

Graw can clinch the flag even if Brooklyn wins its remaining two with Boston.

Pittsburgh today made only six hits off the diminutive southpaw Nehf, but they were scattered in as many innings. Their only run in that span came in the fourth when the Giants makeshift inner defense cracked momentarily and Traynor, singling with two out scored on successive errors by Lindstrom and Kelly.

CARDINALS UNABLE TO STOP PHILLIES

Hold Lead Until Eighth Inning When Leach Starts Rally with Homer and Philadelphia Puts Over Three Runs—Score 5 to 3

PHILADELPHIA, Sept. 25.—The Phillies closed their home season today by defeating St. Louis 5 to 3. The visitors knocked Oeschger out of the box in the first inning, but were helpless against the hurling of young Betts, who held them to four hits during the balance of the contest and twice fanned the mighty Hornsby. Shields held the Phillies in check until the eighth inning when Leach started a rally by hitting a homer out of the park. Two more runs crossed the plate before relief pitchers Stuart and Fowler could retire the side.

WANTED—NAME FOR GRANGE'S BROTHER

Urbana, Ill.—Wanted a new nickname! Suggestions are in order for a name to call Garland Grange, the famous Red's younger brother, who is beginning his university career at Illinois. For he is called Red too, both here and by his classmates in high school.

Garland has much more reason to be called by this highly identifying name than has Harold because the color of his hair certainly might enrage a bull while Harold's is a mere Auburn, or a rimmer brown. Red is really a misnomer for him.

One suggestion that has been offered is "Red the second." But it remains to be seen just what a reputation other than just being the brother of the famous Red. He is an end of no small ability and made his reputation in high school at that position. He has appealed more to Freshman Coach Milt Olander as a back, however, and will be used there. Bad luck has already started after Garland because he was out during the last part of the first week of practice with an injured shoulder. The boy with whom he mingled in getting hurt suffered a broken arm so Garland is not so bad off after all.

Red Junior, our own temporary nickname, has an up-hill battle to fight already. He is a marked man, of course, because of his name and have the reputation of his brother to live down. Then too he had pneumonia last summer and is 15 pounds under weight now.

He is fast and has a goodly dose of his brother's pluck so he should be able to surmount his difficulties. Red will help him a lot in getting started on the right foot and daily practice should take him a long way toward making a place on the freshman varsity.

There is no letup in the ticket sale for the Michigan game. An eventual sellout is predicted for the Michigan game.

SCHALK'S RECORD STOPPED
Ray Schalk's great record for catching 100 or more games each season is soon to pass into the discard. Schalk for 10 consecutive years has performed in 100 or more games every year for the White Sox. Numerous injuries this season made it impossible to come through. He had hoped to stretch the record to 12 years.

YANKS' DROP TOUGH SERIES
The three games the Yankees dropped to Ty Cobb's Tigers must have nearly broken Miller Huggins' heart. The Yanks went into the series in a first-place tie with Washington and emerged two games to the bad. Every game was lost to Detroit by a one-run margin.

CLASSIC PLAYS OF THE GRIDIRON

A Rookie Footballer Consents a Bad Pass Into Amazing Drop-Kick, Winning For Michigan

BY FIELDING H. YOST
University of Michigan Coach

One of the greatest plays I ever have seen in football started out to be a bad miscue at a critical point in a red-hot battle. It all happened so quickly fans in the stands never knew how close they came to groaning instead of cheering.

It was the season of 1916, University of Michigan and the Michigan "Aggies" were engaged in a torrid, see-sawing game in which neither team had as yet scored. Finally Michigan worked the ball to the "Aggies" 25-yard line, but there we were stopped. The stage was set for the great play.

Captain Maulbetsch was to essay a place kick for the Matze and Blue. Clifford Sparks of Jackson, Mich., then a sophomore playing in his first important collegiate game, was to hold the ball for Maulbetsch.

Out from between the center's legs came the ball. But the pass was high and wide. So high that Sparks had to scramble to his feet and so wide that he had to go into the air to lay hands on the ball at all. But he grabbed it. Then suddenly he whirled, took one swift glance goalward—and drop-kicked the three points. Maulbetsch was supposed to place-kick.

The greatness of that play lay in the mental alertness of Sparks. Until the ball was passed he had no idea he would drop-kick. But he did, having thought, made a decision and acted accurately all in the flash of an instant.

Football develops that kind of co-ordination. That's why it belongs to the schools and colleges. It helps make ground-gainers for the game of life.

OREGON GUARDSMEN WIN RIFLE SHOOT

CAMP PERRY, Ohio, Sept. 25.—Scoring 13,595 points, the Oregon National Guard team, today captured the infantry team match from the United States infantry team which had won the event three consecutive years.

The individual club members match went to Harry N. Renshaw eighth corps area, C. M. T. C. Captain John H. Kneubel of the United States infantry rifle team won the 200 yard free rifle match.

In the national individual rifle match, which opened today with 1195 contestants, six men were tied for first with 97 points and the next 18 had scores of 96. The match will be continued tomorrow.

DODGERS HAVE BARE CHANCE FOR PENNANT

Can Win if Giants Lose All of Gam's With Phillies and Can Tie if McGraw's Men Drop Two to Philadelphia.

NEW YORK, Sept. 25.—The Giants eliminated Pittsburgh from the National League race today and now need to win only two of their three remaining games with Philadelphia to clinch the pennant.

There were no games scheduled in the American League where Washington maintains a two game lead over the Yankees. The Senators must win three of their final four with Boston to clinch the pennant even if New York cleans up its four with the fast traveling Athletics. Brooklyn did not increase their lead to one and one half contests over the Robins who even by taking their two remaining games with Boston can win the flag only if the Giants lose their three with the Phillies. McGraw's team can tie Brooklyn by winning one of the three. The standing of contenders:

MERRIMAN BEATEN IN FREE FOR ALL PACE

COLUMBUS, O., Sept. 25.—D defeat of Merriman strong first choice in the free for all paces featured today's Grand Circuit racing card which brought out the best racing of the meeting.

After winning the first heat of the fast pace in 2:01, Merriman broke in the second and finished last. Jimmy McKerron winning. In the third heat Merriman led for more than half the mile when he again broke and Jimmy McKerron took the heat and race.

The first two races of the card were split heat affairs. There were only four starters in the 2:07 pace, and Dickerman, the favorite, was the only one which failed to win a heat. Liberty taking the third and fourth heats and the race.

Peter Montgomery the favorite had a tough scramble in the 2:17 trot after Mr. Harvester won the first heat and Antoinette the second. A two dollar ticket on the latter paid \$208.00. Peter A. Montgomery then won the third and fourth heats. The unfinished chapter of commerce \$3,000 stake was a battle royal. Marmaduke won the first heat and was leading almost at the wire in the second winning, when he broke. Thompson winning.

Pluto Watts, the original favorite, won the third ticket.

MINNESOTA COACH EASES UP PRACTICE

MINNEAPOLIS, Minn., Sept. 25.—After traveling along at a fast clip in the practice grinds since the opening day, Coach Bill Spaulding slackened the pace for his Minnesota football team today and sent his regulars thru the shortest football practice of the season.

Altho the program of the day included some scrimmage, the work of the regulars was confined for the most part to smoothing out team play and adding precision and speed to the attack, particularly the overhead game. Perhaps the most significant development of the day was the return to scrimmage of Clarence Schutte, the Aberdeen, S. D., boy who has been doing side line duty with a bruised leg muscle since Monday.

ILLINI FRESHMEN SHOW UP LIGHT

URBANA, Ill., Sept. 25.—Milt Olander, freshman coach, brought his yearlings over for the first scrimmage of the year with the Illini today on Illinois Field. Using Nebraska plays the frosh caught the first team napping on several occasions and got away for neat gains.

With the entire team bothered by an epidemic of colds, Coach Zuppke lightened up on practice work considerably and after a short scrimmage, finished off the easiest practice of the season with a series of wind sprints.

Handicapped by lack of practice, the freshmen bailed up their signals and looked generally bad. The first year material is unusually light this year and has the coaching staff worried as to the lineup for next season.

MEMPHIS TAKES FIRST OF DIXIE SERIES

Memphis, Tenn., Sept. 25.—Memphis Southern Association pennant winners, defeated Fort Worth, Texas League champions two to one today in the first Dixie series game played to a decision. Bunched hits in the eighth inning—Prothro's double followed by Smith's single—gave Memphis the deciding run. Mierz held Fort Worth to five hits. Head pitching for Fort Worth allowed nine hits.

ARDMORE, Pa., Sept. 25.—Two former national title holders, the present amateur king and a former sectional champion, who has long been a contender for national honors are left in the National Amateur Golf tournament for the semi-finals tomorrow. In the third round today, one former amateur champion, the present intercollegiate titleholder and two former sectional champions were eliminated.

Robert T. Jones, Jr., Atlanta, Ga., former open champion, today defeated Rudolph E. Knepper, former trans-Mississippi champion 6 and 4.

In the semi-finals tomorrow Jones will play Francis Ouimet, former open and amateur champion who today defeated his fellow Bostonian, also a former amateur champion—Jesse P. Guilford. The score was 4 and 3.

Forced to his hardest match of the tournament, Max R. Marston of Philadelphia, defending the national amateur crown, today defeated the intercollegiate champion, Dexter Cummings, of Yale and Chicago.

At Marston's request the score was officially recorded as two and one, altho experts thought he won the last hole.

Tomorrow Marston will play George VonElm, Los Angeles, former trans-Mississippi champion who today eliminated E. H. Driggs, Jr., former New York State titleholder 7 and 6.

Bobby Jones seems to be improving as the tournament advances and to surviving "intercollegiate" golf by opponents. He had D. Clarke Corkran the medal winner practically eliminated yesterday when Corkran started a futile belated battle.

Knepper is Flashy Knepper did the amazing thing of holing out on the first five afternoon holes by one putt on each green. Then he relapsed and Jones, by shooting to the afternoon turn in 35, one under par and his opponent four down. Wildness with Wood and long irons, then proved Knepper's undoing and the match ended shortly after he drove out of bounds from the 32nd tee.

Francis Ouimet, Jesse E. Guilford and their Boston rooters disliked immensely the draw that put them in the same half. They hated so much to defeat each other that they both putted poorly in contrast to their usual brilliancy in this department.

"Jesse we ought to be in the second division," said Francis as they went to lunch all even Guilford having had a medal of 81 and Ouimet 82. Ouimet was one up at the afternoon turn and then won three holes in succession. Weakness with a putter was Cummings' undoing. His drives were as long as the champion's. Invariably his approaches were within Marston's put with equal regularity he missed putts for wins or halves. Five down at the ninth the Chicago boy shot par golf for seven of the second nine holes going to lunch three down. The breaks in the afternoon fell to Marston his second on the 20th hole sliced out of bounds but hit a tree and returned to fairway. Then he got a thirty foot putt for a birdie four. Cummings captured the 24th with a birdie three and the 25th with a par four when the champion muffed up five strokes in succession. Marston made it three up again with a birdie on the 26th.

George VonElm, a favorite of the gallery because of his good medal scores, did not do quite so well today, but did not need to. By shooting a 76 this morning only one stroke worse than the best medal of the day, made by Marston and Jones, the westerner had Eddie Driggs six down when they went to lunch. Driggs in the afternoon and by a succession of par fours cut VonElm's lead to four holes at the turn. Then VonElm won three in a row, for the match.

BIG DANCE AUTO INN SATURDAY NIGHT

HEILMANN HAS BAD YEAR
One of the big reasons for the failure of the Detroit club to make a better showing this year is due to the batting slump experienced by Harry Heilmann, champion swatter of 1923. Heilmann all season has been about 50 points off form and has had the habit of hitting into double plays when a base hit meant the ball game.

BLUEGE'S HITS ARE TIMELY
In Bluege's Washington team has one of the classiest fielding third basemen in captivity. Altho Ossie's batting average is nothing to write home about, the youngster has decidedly improved his stickwork during the closing weeks of the campaign. What's more, his hits come when they are most needed.

White Hall visitors in the city Thursday included Mr. and Mrs. Roy Welch and little son, Mr. and Mrs. Frank Weiss and C. E. Stetson.

TWO GOOD GAMES TO BE PLAYED SATURDAY

I. S. D. Tigers Meet High School at 2 o'clock on I. S. D. Field and Illinois College Game Against Lincoln on College Field Set for 4 o'clock.

The further they go, the more uncertain are the lineups of the various football teams in Jacksonville this year, so strong is the competition for the various positions on the regular lineups. Coach Robey Burns of the I. S. D. Tigers is perhaps the best fixed along this line as practically all of his last year's men are delivering in fair shape this season making it difficult for the subs to oust them, even though all of the subs are exerting themselves to the utmost with a chance that some of them may be given the call.

W. T. Harmon, physical director on the hill, is probably the worst up against it of any of the coaches, for in his squad of fifty-nine men he has an abundance of good material so closely balanced that it would take a wizard to correctly choose the best men for a permanent team, therefore as will make no final choice, possibly until just prior to the time of taking the field against Lincoln Saturday afternoon at four o'clock after the completion of the I. S. D.-J. I. C. contest on the I. S. D. field this game being scheduled for two o'clock.

The tie between the high school and the Tigers is sure to draw a large crowd of interested spectators as both teams have a big following and further as Mitchell's huskies took last year's contest by the close score of 6 to 0 with Burns determined to turn him back this year if possible. Both Burns and Mitchell have recently been playing a conservative game in handling their teams, easing up within the past night or two to keep them from being stale Saturday afternoon from too strenuous training. John Larson will referee the match, with Terrence Brennan as umpire.

ACCUSES PRESS OF SCHOOL CRITICISM

SPRINGFIELD, Ill. (AP)—A request that the public schools of Illinois be protected from "unfounded and unwarranted attacks in this day of pitiless publicity" has been prepared here by Francis G. Blair, state superintendent of public instruction.

"There are certain institutions" according to Mr. Blair, "which the press should guard from such attacks."

Mr. Blair cites a newspaper report that a school dance was stopped because of improper dancing and liquor. A retraction was printed the next day, Mr. Blair points out, but the "pitiless publicity" of the first day's first page story could not be undone by the obscure retraction.

"In the organization and administration of public schools," he writes, "it is impossible to avoid hurting the feelings of certain people in the school districts. In fact there are few districts in the state which do not contain persons who are more or less bitter against the board of education and the school administration. It is easy for these disgruntled persons to seize upon every unusual occurrence in school life and distort its real significance and importance. There is evidence of malicious design in some of these

stories. A newspaper finds every item concerning disturbances and disorders in schools an interesting item. It may therefore, be too much to ask that when such

rumors and scandals are presented that they be held from publication until the responsible authorities may be interviewed on the matter."
